BC BS of Florida Erroneous Denials for 97140

2017-11-20 - Medical Billing Professionals - Comments (0) - General

Yesterday we sent notice that BC BS of Florida was denying 97140 when billed with a CMT (they also were denying 97112).

These denials were clearly in error and it appears BC BS of FL recognized this as they have reprocessed the denied claims for payment.

Thanks,

Steve
