Medical Billing Professionals Support Suite

Medisoft Network Again Available

2017-01-23 - Medical Billing Professionals - Comments (0) - General

Phase One of our network upgrade has been completed. Providers may again connect to the Medisoft Network.

Please note that the network upgrade will be done in phases so there will be down time on weekends in February. We will post information about the down time in the News section of the Support Suite.

Thanks,

Steve
