Medical Billing Professionals Support Suite

Medisoft Network Upgrade Complete

2020-01-12 - Medical Billing Professionals - Comments (0) - General

The Medisoft Version 24 upgrade is complete. Providers can again connect to the Medisoft network.

NOTE: When you connect you will see a message for registering the program. CLICK REGISTER LATER. We will be having our Medisoft reseller register the program for us this week.

Thanks,

Steve
